June 20-29, 2009, Yerevan, Armenia

Pre-trip review of proposed National Irrigation and Drainage Policy and Strategy document. On-site consultation and collaboration with international and local experts; government entities including Water Resources Management Agency, State Committee, Water Management Organizations, Drainage Sector Directors, Executive Branch officials; and USAID, World Bank and non-governmental organizations to provide international advice/experience concerning irrigation and drainage policy proposed for national adoption fall 2009.

2006 to 2008

US State Department/USAID contracted through PA Consulting, Inc.

Contact:

Robert Cardinalli, Chief of Party
Infrastructure and Development Services
PA Consulting Group
4601 N. Fairfax Drive, Suite 600
Arlington, VA 22203

March 27, 2008 through April 20, 2008, Yerevan, Armenia

Provided international experience and advised on international best practices for private management contracts, offered revisions to existing contracts on issues including tariffs and monitoring. Continued to work to resolve water code issues and provided extensive comments on a draft Law on Self-Monitoring.

September 3, 2007 through September 14, 2007, Yerevan, Armenia

Provided additional revisions to water code and drinking water code to ensure consistency between the revisions and with the philosophy and terms of applicable European Union Directives. Proposed solutions to problems relating to water system use permitting and suggested alternatives to state structure of managing drinking water facilities. Offered various options to revise dam safety sections of water code noting relationship to current treaty between Turkey and Armenia on international water course and dam structure between countries.

February 28, 2007 through March 15 2007, Yerevan, Armenia

Narrowed review of existing water code and proposed amendments, offering detailed comments on the drinking water code, National Water Policy related to water use permitting

1915 NE 39th Ave.
P.O. Box 12527
Portland, Oregon 97212-0527
PHONE (503) 281-4100 FAX (503) 281-4600

priorities, and the Environmental Inspection Code concerning enforcement delegation and levels, continuing to work with government entities.

December 10, 2006 through January 7, 2007, Yerevan, Armenia

Reviewed existing water code and proposed amendments, collaborating with USAID experts to provide options for unresolved amendment issues in meetings with government entities including the Water Resources Management Agency, State Committee, and Public Services Regulatory Commission.

Related International Experience

March 2007, China

Travel to Beijing, China observing changes in approach made by Chinese government to domestic water since 2006 in anticipation for hosting Olympics in 2008

March 2007, Mongolia

Travel to Ulaan Baatar, Mongolia and by train across Mongolian Desert Plain to Beijing, China observing agricultural methods of tribal populations

March 2006, China

Travel in China by air to Beijing, Xian, Dalian, and Harbin studying large municipal domestic water systems with extended visit in Xian area to observe irrigation methods and agricultural production

March 2004, Mexico

Travel throughout Yucatan, Mexico with senior US water attorney studying ancient and current methods of surface and groundwater use for agricultural production

March 2002, Southern England

Travel studying historical and current municipal use of surface waters in Southern England for domestic and transportation uses

March 2000, Israel

Extensive travel with three US attorneys in Israel to consider governmental control of land and water resources for communal type agricultural production

1998, Desk Work: Kyrgyzstan

Rural Development Institute
